All parking is free after 5:00 pm except in the Parking Garage located by the Student Center and Student Life Building. All of these lots in the garage are pay-by-space hourly lots and cost \$1 per hour. If you are going to park in the Parking Garage, you should note your parking space number and pay at the conveniently placed pay stations in the lot. The pay stations accept all major credit cards and \$1, \$5, and \$10 bills (no coins). Exact change only. Our dinner is the night of the last day of school, so there should be lots of parking.
